

Home and office tinting.

sonic

### Feeling a little exposed?

Often when you're walking around your home, you think no-one can see you...however, that is not always true. If you're feeling a little exposed, to heat and prying eyes, call ARMA for a free quote on tinting your home or office.

- Reduce heat by up to 82% during Summer.
- Blocks 99% of carpet and upholstery damaging U.V. rays.
- Available in clear and dark tints in range of colours.
- Increases your privacy.
